Region Pricing		
USG Standard & VAR Pricing	Prim Allotment	Monthly Base Cost
Standard 256x256; The standard region has a prim allotment upfront of 25,000. You can increase your prim, up to the max prim allotment of 45,000, through prim packs (this will add \$10 to your monthly region costs)	25,000	\$16.00
Var 512x512 (2 by 2); The VAR region cannot be any larger than 512x512, cannot be placed directly next to any standard 256x256 region and has a prim allotment upfront of 25,000. You can increase your prim, up to the max prim allotment of 45,000, through prim packs (this will add \$10 to your monthly region costs)	25,000	\$16.00
USG Intro Region	Prim Allotment	Monthly Base Cost
The intro region is a full 256x256 region. It has an upfront prim allotment of 10,000 prim & a max prim allotment of 45,000. You can only have 1 intro region per account. Increasing your prim to the max prim allotment of 45,000 (through the base prim pack), will add \$15 to your monthly region costs. <u>Intro regions are NOT eligible for any discounts</u>	10,000	\$8.00
Low Use Region	Prim Allotment	Monthly Cost
A Low Use Region is a 256x256 region with a prim allotment of ONLY 5,000 prim. It's designed to hold about 10 people & has reduced script options. You MUST have a full region (intro regions do not qualify) to get an LUR. You can get an LUR if you have a VAR region (however LURs cannot be placed directly next to a VAR. One (1) region space is required between them). <u>LUR's are NOT eligible for prim packs or any discounts</u>	5,000	\$5.00

USG Pricing Sheet

Discounts

We offer volume pricing discounts with purchases of as little as 3 standard regions. Vars are eligible for volume discounts, as is any combination of a 256x256 region & a VAR. **However, neither Intro regions nor LUR's are eligible for volume pricing discounts.**

Volume Pricing Discount Tiers

	Monthly Cost
3 regions; 5%	\$45.60
5 regions; 10%	\$72.00
10 Regions; 20%	\$128.00
40 Regions; 25%	\$480.00

Longevity Discounts

Longevity Discounts are a means of rewarding paying tier for longer terms. For example, if you decide to pay your tier for 6 months, you get a total reduction of your overall bill of \$6. The same is true of a 12-month Longevity discount. You'll get \$12 off your total bill. This is only offered in 6-month or 12-month increments and only when payment for region(s) is received.

Pay Tier for 6 months in advance get additional \$6 off your total bill

Pay Tier for 12 months in advance get additional \$12 off total bill

Prim Packs

Prim packs essentially work out to \$0.50 per prim in minimum purchasing quantities of 5,000 prims for \$2.50. The max allotment of prims for intro regions, 256x256 standard regions & VAR's is 45,000 prims. **LUR's are not eligible for prim pack expansion.**
